

EXHIBITOR AGREEMENT – ARUSHA CHRISTMAS FAIR 2021

Please ensure you read and understand this agreement, as you will be required to accept the terms when you submit your Vendor Application for the fair.

PLEASE READ CAREFULLY - WE HAVE MADE CHANGES FOR 2021

TANZANIA REGULATIONS ON LARGE EVENTS

On July 24, 2021 the Government of Tanzania issued a ban on all large social events, with the intent of minimizing the spread of the COVID-19 Delta Variant. The 2021 Arusha Christmas Fair supports the decision of the government and is monitoring the situation. A final decision on holding the event will be made on September 15, 2021. Until that time, we will continue planning and begin processing vendor applications on August 1, 2021. No payments will be processed until a final decision on the event is made.

EVENT VENUE

The location of the 2021 Arusha Christmas Fair is currently “to be determined” and will be confirmed on September 15, 2021.

HEALTH & SAFETY MEASURES

The event will follow health and safety measures as dictated by the Tanzanian Government. The measures *may* include, but are not limited to:

- Wearing masks at all times
- Maintaining a 6 foot social distance
- Frequent handwashing and sanitation

At the time of the event, all vendors and visitors will be made aware of the current government mandates and be required to follow them without exception. Any vendors or visitors not abiding by the mandates will be removed from the event without refund.

Application & Booking

All vendors must apply for the event via the online order form. Applications **MUST BE APPROVED** to participate. We do this to ensure we have a variety of products for our shoppers and good business for our sellers. We will not accept curio sellers, as these products are readily available in Arusha on a daily basis.

Stall holders are encouraged to donate a small item from their booth as a prize for the charity raffle.
